The Go To Company

# ***INTRUDER***<sup>®</sup>

70 WSP Insecticide

- Mites--MSU
- Coverage--Canopy penetration.
- Surfactants--MSO by ground and COC by air.

# Yukon

Herbicide

- Pre mix of Permit & Dicamba
- Use rate of 4-6 oz as a post treatment. Very cost effective.
- Crops-Corn, Sorghum, Sugarcane & Turfgrass sod.
- Tank mix with RU & Liberty.
- Some weeds controlled:  
Sedges, morningglories, pigweed, ragweed, smartweed, water hemp, velvetleaf, not for sunflower dove fields.

# THANKS

Hope you and your clients  
have a great season
