- Industry must submit a presentation that follows the guidelines listed below.
- The LATMC Program Planning Committee and Executive Board reserve the right to deny presentations that do not meet the requirements listed below.
- The ET presentations will be scheduled as shown in the preliminary program. Please contact Denise by phone or email to request a specific time. These slots will be filled first come, first served, so there is no guarantee that your time preference can be accommodated, but we'll certainly do our best to schedule as preferred.

Following are the guidelines for presentations:

1. Submission(s) should be brief and include the presentation title, presenter's name and title, and affiliation. Presentations for Platinum and Gold sustaining members can be up to 10 minutes in length (approximately 10 slides), and for Silver and Bronze sustaining members from 5-8 minutes in length (approximately five slides).
2. Submit topics for technical presentations only.
  - a) Product modifications, new uses, registration issues or label changes
  - b) Current year or upcoming year crop issues
  - c) New research or new product(s)
3. Content of presentation should be pertinent information that helps crop consultants in providing advice to their growers.
4. Sales and promotional information is prohibited.
5. Presentation notification must be made by the January 15, 2023 deadline.

If more information is needed, please contact Denise Wright at 337-945-3694 (m) or email [denise@laca1.org](mailto:denise@laca1.org).
